PROFESSIONAL EXPERIENCE

Business Development & Operations Associate *Apr 2026 - Jun 2026*
Gymrupt (VOLT)

- Built a membership pricing model for a key client using payback period, IRR, competitor pricing, and profitability analysis
- Formulated a driver-based financial model across 15+ assumptions and 3 growth scenarios to forecast partner gym revenue, cost, and profitability
- Performed unit economics analysis across 6 key metrics (CAC, LTV, churn, and payback) to optimize pricing models
- Conducted variance analysis on projected vs. actual sales funnels, identifying key bottlenecks to refine financial and business planning
- Evaluated 220+ fitness businesses' operational readiness and formulated GTM/positioning strategy via competitive benchmarking against 3 competitors
- Designed a 10+ parameter evaluation framework to standardize screening of gyms and Pilates studios, supporting founder-level strategy on partner economics and market expansion

Intern *May 2024 - Jul 2024*
CA Ashish Agrawal

- Prepared and reviewed 3 financial statements, ensuring statutory compliance while improving accuracy and reporting quality
- Assisted in precise computation of GST liability, ensuring full compliance with applicable tax laws and accounting standards
- Reduced penalty risk for clients by ensuring accurate GST compliance, timely filings, and adherence to evolving tax regulations
- Supported tax filing and documentation for individuals and businesses, ensuring accuracy and timely statutory compliance
- Executed data entry and reconciliation for 5 client billings while acting as a trusted liaison, resolving queries and improving bookkeeping efficiency

Family Business - Finance & Operations (Unpaid) *Jul 2022 - Apr 2024*
Jais Kirana Stores

- Independently managed end-to-end finances for the family business, including bookkeeping, accounting, and statutory compliance
- Owned budgeting, forecasting, and financial planning to guide business decisions and cash flow management
- Built financial models and performed margin analysis to evaluate pricing and profitability
- Conducted competitor research and risk assessment to inform business strategy, using Advanced Excel for financial tracking and reporting

ACADEMIC PROJECTS

Financial Analyst - Simulated Equity Portfolio & PE Analysis *IIM Visakhapatnam*

- Managed a simulated equity portfolio of BSE 500 stocks, benchmarking returns against the index while evaluating the end-to-end PE lifecycle, including investor onboarding and deal cycles
- Analyzed global and domestic M&A deals to evaluate transaction structures and exit strategies in private equity

Factors Influencing Social Media Commerce Adoption *IIM Visakhapatnam*

- Led a social commerce study: conducted FGDs, interviews, and CIT mining, coding data into 8 constructs to build 8 hypotheses
- Executed SEM path modeling via a Likert-scale survey; identified transaction safety and word-of-mouth as significant adoption drivers

ACHIEVEMENTS

- Cleared CS Executive Group 1 in the first attempt (220/400): Company Law, Tax Laws, General Law, and corporate governance
- Finalist, IIT Roorkee's Mind the Product E-Summit 2025 (1,000+ participants): GTM strategy to revive a discontinued product
